FESTIVAL OF

KNIGHTS

2022 Imagine Gala

Dear St. Anne School Parents and Community Members,

Imagine a place where state-of-the-art facilities support top-tier curriculum. Imagine an environment in which collaboration is facilitated by cutting-edge technology. Imagine a school in which students are supported by faculty and staff who receive top-tier professional development training. Imagine a future St. Anne School where your children thrive and reach heights beyond the successes they've already achieved. The possibilities are boundless, and our **2022 Festival of Knights Gala**, themed **Imagine,** will help us bring these goals to fruition.

We are excited to announce that the gala will return this year, on **April 9, 2022**, at the **residence of Molly and Ross Fryman in San Juan Capistrano**. As we embark on St. Anne School's 30th anniversary in Fall 2022, this year's theme celebrates and guides our children and community as we move forward in envisioning the future of St. Anne School.

The Festival of Knights gala is one of our major fundraising initiatives for our school. It also represents one of the most significant community-building events of the year, in which parents, faculty and staff come together for an evening that includes dinner, live entertainment, amazing auction opportunities, dancing and much more. The event raises critical funds that align with the highest priorities of our Knights' Fund: future planning and growth, academic excellence, professional development for faculty, visual and performing arts, tuition assistance, and campus ministry. We encourage all to attend this evening of fellowship that furthers what's most important to all in our community - the success of our students.

If you would like to support this event in a more substantial fashion, St. Anne is pleased to offer an array of corporate and family sponsorships that will enable us to offset a large portion of event expenses and allow the majority of the funds raised to go directly toward our school. We are also seeking auction items and donations of in-kind goods and services.

If your company or a business you know of is willing to underwrite a portion of the event, please contact us. All donations are tax deductible, as St. Anne School is a nonprofit 501(c)(3) organization. For more information, please visit **www.festivalofknights.org**. If you have questions about sponsorships, please reach out to either of us or C.C. Hafner, Executive Director of Development, at cchafner@st-anne.org or 949.276.6715.

We believe this gala will be an enchanting evening that exemplifies the strength of our community and supports the growth of our school. We invite you to join us to Imagine the possibilities.
